When we, the yearbook staff sat down and tried to think of some words to describe the Class of 88 one phrase seemed particularly appropriate. That phrase was; something out of the ordinary. We have picked "something out of the ordinary" to be the theme of the 1988 edition of the Beverlega. As you flip through this book we hope you come to the same conclusion. The Class of 88 is definitely something out of the ordinary.

Peter Manning

IN MEMORIUM

In Memory

The 1988 edition of the Beverlega is dedicated to the memory of Peter Manning. A member of the senior class, Peter tragically passed away in December of 1986. Peter will long be remembered for his service to the school, particularly to the music department.

Peter was a multi-talented musician who played trombone in the concert and jazz bands, tuba in the marching band, and guitar in the choral rhythm section and various rock bands. In addition, Peter studied the piano and harmonica.

His interest and skill in writing and arranging, and his love of music and life served as a model and an inspiration to all of us. We miss him dearly.

As you can see the Class of 88 has been something out of the ordinary. We are the only class we can think of who as Juniors out spirited the Seniors at a Thanksgiving pep-rally. The Class of 88 is a group of individuals that has come together to make this class one of the most memorable in the history of Beverly High School. We think this edition of the Beverlega has truly shown just how out of the ordinary and unique the Class of 88 has been in all areas of high school life. We hope you agree.

SPORT REVIEWS

FOOTBALL

Once again this years Beverly Panther Football team proved that a winning tradition and excellence on the grid iron are qualities at Beverly that are known through out the Northeastern Conference. This years record 8-2 surpassed the preseason pick of being a 500 season and reached second place in the conference overall behind Superbowl bound Gloucester.

Behind the leadership of tri-captains Mike Palinski, Marc LeClair, and Dick Donahue. The Panthers turned some heads, along with giving coach Bill Hamor a few more gray hairs.

But let us no forget our most memorable game of all . . . . . Beverly 19 Salem 14 . . . . . We've reaps all we can reaps and we can't reaps no more!

GYMNASTICS

Under the direction of first-year coach Julie Stockwell, the Gymnastics Team had one of the most successful seasons in Panther history. Depth and experience seemed to be the key to victory with consistent efforts from the entire team, culminating in reaching the team's goal of first-ever 120 points. Despite a disappointing loss to undefeated Danvers, the team posted a conference-winning average and missed a state tournament berth by a mere one-tenth of a point. The Panthers had strong performances from every class this year and we can expect nothing but success from this team next year.

GIRLS' CROSS COUNTRY

This years Girls Cross-Country team had some very impressive stats. Led by captains Kelley Pendleton and Amy St. Pierre. The Panthers posted a record of 5 - 4. Other key contributions to the team included a solid freshmen tandem of Amy Macdonald and Sarah Roccio. Kendra Talbot, Laurie Gilks, and Kathy Brown also had impressive races throughout the year. St. Pierre had an outstanding individual year, placing fifth in All-State. A late season win over Salem showed the strength in which Beverly will have next year.

GIRLS' TENNIS

The Girls' Tennis team achieved an outstanding record this year. At 16-2, it placed them second in the NEC and enabled them to qualify for the State Tournament held in the spring. Co-captains Patricia Sullivan and Lori Kent, along with the support of coach Barney Bloom, helped to lead their team to a succesful season. The team anticipates another great season next year.

GOLF

Coach Davis led this years golf team to the top of the NEC. The team was filled with many excellent golfers. The best of which includes Jeff Goodwin, he brought the team to their winning season. Other strong golfers were Jeff Nicolo and Matt Kelleher. The team is graduating two seniors but will hopefully have another winning season.

HOCKEY

This years hockey team may not have finished first in the NEC, but they still had a great season. The team was led by co-captains Scott and Jason Mitchell. The team had many excellent underclassmen such as Ian Patskowski and Andy Silverman. Seniors Jamie Dawson and Mike McPartland also helped out in the effort. Since this years team was filled with many outstanding underclassmen, they can look forward to another great season.

GIRLS' BASKETBALL

It was a year of firsts for the Girls' Basketball team. Under first year coach Reggie Brown, the Panthers were led by tri-captains, Gloria Gelineau, Julie Sullivan and Patty Sullivan. The team qualified for the first time Beverly High Schools' history for post season play. The consistent performances of the rest of the squad, seniors Amy Cyr, Tricia Gleason, Lynette Gabriel and junior Ellen Gabirle combined with those of the tri-captains to lead the girls to their winning season.

BOYS' CROSS COUNTRY

This years Boys Cross-Country team can be truly compared to many of Beverly's best teams from the past. Beverly coasted to a mid-season undefeated show down with Swampscott, who defeated an injured alling Beverly guard. Beverly was led by seniors Mark Wilson, Mike Clary, and Tom Mazzaglia. Other key runners included Fred Gould, Matt Flore, Jesse Moore and Sid Barnes. Beverly got revenge in the Conference meet by destroying Swampscott 33 to 48 and posting the lowest score ever in the meet. In big meets Beverly took second at the Northern Area, third at the States and an impressive eighth at the All-State meet.

FIELD HOCKEY

The Beverly High field hockey team under the instruction of Debbie Kline, made it extremely close to the state tournament this year with a record of 7-5-2. Missing the state tournament by only one point, it was a very disappointing end to a season that had many highlights, such as tying highly regarded Danvers (1-1). The girls' last game of the season was also a tie, but to rival Salem and it was a big "loss" to the team because they needed the two points from a win to continue their season.

Led by senior tri-captains Julie Sullivan, Melina O'Grady and Jen Hyland, the team also got many great performances from some of the juniors on the team. BHS can look forward to another winning season from the Beverly High field hockey team.

GIRLS' WINTER TRACK

Unexpected illness and injuries fell on the girls track team this year. Without the strong efforts of Amy St. Pierre, Kendra Talbot, and Tara Savoie, the Panther girls still managed to break even with a 4-4 record. Their biggest victory coming at the end of the season by beating Salem. Although the Beverly girls did not finish first, they had many standouts in the conference, including seniors Kelly Pendleton, Sandi Binford, Sandi Garinger, and Tracey Piecewicz. Other standouts for the girls were Jen LiPorto, Amy MacDonald, Sara Roccio and Melissa DePiero. Having a young team, the girls look forward to a winning future.

BOYS' BASKETBALL

The Beverly High Boys' Basketball season was filled with ups and downs. In pre-season polls, the team was not expected to do well, and in some cases was picked to finish dead last in the Northeastern Conference. But despite a 7 - 13 record, there were a few standout performances that should be remembered. Beating bothe Saugus and Lynn Classical at home in the field house, were both unexpected wins against top NEC teams. Even though the team had very little varsity experience, they showed much maturity, The team will graduate only four seniors this year, and will hopefully be a team to contend with next year, with four returning lettermen. Graduating seniors include: Ben Filmore, Jason Goodwin (captain), David Flynn (co - captain), and Jeff Folsom.

GIRLS' SOCCER

This years Girls soccer team overcame some very trying times to win the 1987 Northeastern Conference championship beating the top ranked teams like Lynn English and Swampscott. This gave the girls a moral boost to go out and beat Salem, capturing the title. From there they overcame the power of Chelmsford in a tiring 7 overtime game in the tournament. Many players shined for Beverly including co-captains Pam Cowles and Roisin O'Brien, seniors Chris Little, Tracey Piecewicz, Colleen Hagerty, Kellie Moar, Dina Simmons, Cindy Cook, Penny Gagnon, Angela DiPaolo, Jen Peslin and Lynette Gabriel. Next years co-captains, Jill Kampersal and Tara Savoie, put forth a consistent effort all season. After this years showing, the Panthers can look forward to another promising season next year.

BOYS' SOCCER

This year the Boys soccer team triumphed over the Conference winning the N.E.C. The combination of the teams dedication and hard work, along with the strong coaching of Michael Cahill. contributed to the advancement to the States.

Jay Goodwin handled the backfield along with Jeff Sarcione. Todd Simoes, Marc Richardson, and Bruce Gordon played strong ball at midfield. While John Vitale and Matt Ekstrom played aggressive ball on the front line.

Other good performances came from seniors Kevin O'Shea, Andy Semple, Andy DeLory, Van Rau, and goalies Bobby Barrett and Dave Flynn.

SWIMMING

This years swim team was filled with many good swimmers. The team placed a strong second. The swimmers were led by co-captains Cary Gaynor and Karen White. The team had many outstanding swimmers and divers. Seniors Chris Little and Debbie Woodman, along with juniors Gordon Cunningham, Chris Gates and Ann Fell are just a few. Next years team will hopefully be as strong although they are losing many senior swimmers.

WRESTLING

During his second year coaching the Panther wrestling team, Daniel Fields got his wish, he closed the gap in scores and came up with a well deserved victory over Greater Lawrence. Led by senior co-captains Stephen gold and Marshall Tripoli, the team was much improved over last year. Besides the captains, Beverly will lose the efforts of senior John Boisvert who had a winning record. Nest year the Panthers should do a lot better, as Keith Rivers, the only football player on the wrestling team, has already started recruiting other football players. Other key wrestlers should be Franc LeClerc, Jeff Foster, Irwin Berg and Gary Richards.

BOYS WINTER TRACK

This years track team was blessed with many outstanding individuals who contributed to the success of this rears undefeated N.E.C. Champions led by senior tri-captains Tim Long, Fred Gould and Dave Beaulieu helped this team demolish many of its opponents. A mid-season victory over second place Marblehead proved to be crucial. Winning for Beverly were Stu Talbot (50 Dash), Neil Coombs (300), Tom Mazzaglia (1000), Mike Clary (mile), Mark Wilson (2 mile), Andy DeLory (shotput), and Beaulieu (High Jump). Other new comers were Mike Kersker (600), Sid Barnes (2 mile) Chris Moca (600), and Mazzaglia (High Jump). Although this years team will graduate many seniors, next years team will be as strong.

Who says you can't have a meaningful relationship with ten people at one time . . . And get paid for it.

A relationship doesn't have to be complicated. It can be as simple as saying "hello" . . . smoothing a pillow . . . or wiping a brow. It's something very unique that exists between people who have needs . . . and people who have something inside to give. That's where you come in . . . At Mediplex in Beverly we have some very special long-term residents and we're looking for some very special nursing assistants to give the physical care and emotional lift they deserve. If you're interested, we'll teach you the things you need to know about physical care during a two week intensive training program. The emotional part can't be taught. It has to come from inside. In return we help you create a convenient, flexible schedule to accommodate your current lifestyle . . . mornings, afternoons, evenings or weekends.
